Please ensure that the word count does not exceed more than 250 words per section.

If you have any queries regarding your entry form then please contact Claire Turnbull on 0161 817 3484 or claire.turnbull@pro-manchester.co.uk

Applicants should provide evidence of the following:

Involvement in any significant projects / cases during the past 12 months, highlighting your personal involvement and contribution to their success.

Innovative solutions that you have personally applied to overcome a difficult problem, whether this be responding to client demands and / or legal / practical complexities involved in a project / case.

How your actions directly impact the client and/or add value to the client's experience, with specific examples of exceptional client care where possible.

Financial contribution to your firm/company over the last twelve months, for example, your contribution to work introduced to the firm / company by you personally and work passed to you by other fee earners. If work has been passed by another party please provide details of the length of that relationship; how you are involved; whether instructions are now given to you directly etc.

Details of how you are positioning yourself for the future within your organisation and in your sector, with examples of any difficulties you anticipate you may face and how you plan to overcome them.

Please email your entry form to mimaentries@pro-manchester.co.uk
